

**GOT LUNCH! PLYMOUTH
PROVIDING PLYMOUTH'S CHILDREN A HEALTHY SUMMER LUNCH**

Dear Parents of Plymouth School-Age Children,

Got Lunch! Plymouth is very excited to announce the 12th year of its healthy summer lunch program for Plymouth children through 12th grade, including 2025 graduates. Individuals, businesses, community service agencies, and faith-based organizations are cooperating to offer this program.

The purpose of the program is to fill the summer gap for children who receive free or reduced-price lunches during the school year, but receiving free/reduced lunch is NOT a requirement for participation.

To register, please fill out this form each year, and have your student return it to their teacher, the school nurse, or the school office. You may also mail the form to Got Lunch! Plymouth, P.O. Box 337, Plymouth NH 03264, or register online at www.gotlunchplymouth.com. Once you are registered, you will receive a confirming letter or email.

Delivery will begin after school ends in June.

If you have questions or comments, please email us at gotlunchplymouth@gmail.com, or call us at (603) 536-1076.

**PLEASE SEE NEXT PAGE FOR IMPORTANT INFORMATION AND TO
REGISTER.**
